Dear BYPS Mothers,

We are excited to announce the launch of a revolutionary new women's learning program called LinkUp that has seen major success in the USA and Eretz Yisrael. Run in collaboration with an outstanding organisation named Penimi, the program invites women to discuss, debate, learn and grow. It empowers women with the skills to answer difficult questions, make educated decisions, and to look ahead to choose a positive path for their families.

We invite you to our grand launch event to hear about the program from **Mrs Faigie Zelcer**, the founder of Penimi, to learn how it differs from anything available elsewhere today and to discover why we are so excited to be the first school to bring it to London!

Please join us at the **Windsor Room at The Pillar Hotel, 19 Brent Street, NW4 2EU on Motzei Shabbos Parshas Vayeitzei, 13th November 2021, at 8.15pm**. Light refreshments will be served.

In order to estimate numbers please register your interest in attending by clicking [here](#).
